Dear Sir

We have

 great disappointment that the

 He thought he had reason

We write you

Yours of May 7th

say that you will allow 15% off. from

the usual discount to dealers as I
wish them to sell and that would

Wm Macdowell Esq.

My dear friend

Your letter of the 27th Apr. has been duly received. You have been very kind in doing all you could for me, under the circumstances, with regard to the disposal of the Clay Portrait, to the Corcoran Art Gallery. That portrait, I seemed to me, has a special historical value, and though I had heard of there being another already a portrait of Mr Clay in the Gallery, I had some expectation of its being accepted or purchased by the Gallery. But my expectations

were not very sanguine
and therefore I am not
much disappointed.

So. Considering all the cir-
cumstances of the case (and
my own private necessities)
I have concluded, that the
best thing I can do. is to
accept with thanks the
offer of Mr Corcoran of
\$100. for the Portrait "as it
stands without frame for
his own house."

I am sorry to hear that
you have been so much
indisposed, and that you
are still suffering. - I have
also had a very severe
cold in March, - but am
very well now. - I am

~~to leave~~ This has been a very
severe winter - & the Spring
is very backward - ~~But~~
~~the~~ - Well, this world is
full of troubles & afflictions.
But it is a great comfort to know
that ~~near~~ there is a better world
& rest for the weary. Please
remember me kindly to Mr & Mrs
Loomis and to your children
and to your sister Elizabeth.

Hoping to hear from you
again soon - I remain always
Truly your friend
John F. French

I am trying to do as well as I
can. as an artist - in my old
age. - but I feel very sensibly
that I am getting older every
year. - but I will work while
I can - & ~~hope~~ in this world
a trust to continue in some how hereafter

C. A.
